Sir,

I have the honor to state that in the *marginally noted

*Government Order Nos.6047-8/M.F.225-21-4 dated 20th May 1922 and 7230-1/M.F.734-21-2 dated 3rd July 1922.	Government Orders four bills aggregating

Rs.2332-14-4 were sanctioned on account of the arrears of allowances due to the Agamik and the establishment maintained for the conduct of the Mysore Sevas in the temple of Sri Subrahmanya, in Uppinangadi Taluk. The sanctioned bills having been forwarded by the Deputy Commissioner to Comptroller for audit, they have been returned unaudited with the observation that the bills could not be audited as there was not sufficient money at the credit of the Institution.

In resubmitting the bills, the Deputy Commissioner of the Hassan District, states in his letters dated the 26th September 1922 (copies enclosed for reference) that these amounts that had been held over for future payment and thus were not drawn from the cash grants sanctioned for the institution, have been appropriated to meet the excess expenditure on account of Parahavar Santarpane at Subrahmanya and of repairs to the temple car and requests sanction of Government to meet the charge from State Funds.

2. Though for purposes of administration and accounts the performance of daily services in the temple for which the *marginally noted cash grants have been endowed and the conduct of annual Parahavar

Paditara Deeparadhane	582- 3-0

Parahazar Santarpane have no manner of connection with each ot and have been treated as two different institutions yet the amounts belonging to the former and held over for future payment have been utilized for expenses connected with the latter. The parties to whom the amounts are due are consequently pressing for payment.

3. As all the surplus amounts available at the credit of these institutions and also of the institutions closely connected with the Parahazar Santarpane, e.g., Sri Rama Devaru temple at Bisle &c., have been otherwise utilized, I am not in a position to sugrest any source from which the cost on account of the bills now received can be legitimately met. I therefore submit the matters for the orders of Government.

4. The enclosures to Deputy Commissioner's letters are forwarded for reference and obliging return.

"Adverting to G.O.No.6647-8/Muz.235-21-4 dated 26th May 1922 according sanction to two bills, aggregating Rs.1475-6-4 being the arrears of pay and allowance due to the officiating Archak and Agamik of Sri Subrahmanyeswaraswami temple at Subrahmanya, South Canara District, I have the honor to state that the bills sent to the Comptroller for audit have been returned with the intimation that the amount at the credit of the institution at the end of April is Rs.241-2-5 (vide Comptroller's letter copy of which is enclosed). The pay and allowances due to the Archak which were held over for future payment and consequently not drawn from the allotted cash grant of the temple, appear to have been utilised from time to time to meet the excess charges incurred over and above the budget allotment in connection with the Parahazar Santarpane at Subrahmanya.

Under the circumstances, I request that you will be so good as to obtain the sanction of Government to meet this amount out of State Funds. As the party is pressing for payment, early orders are requested."

Pallaiyur.

Sir,

With reference to your letter No.2221/A.F.Zeal-Zeal dated 2nd March 1993 enquiring whether charges on account of the arrears of pay and pahitaru due to Sri Subrahmanya temple at Subrahmanya in the Uppiliam and Talukas can be met from the interest earnings of the General Mudral Fund, I have the honour to state that the fund was primarily constituted with the object of rendering help to important Hindu poorer institutions which have no funds of their own to look to for any special improvements or ordinary repairs not inconsistent with the object of the endowments. The purposes for which the interest-earnings of the Fund are to be utilised are enumerated in Government Proceedings Nos.Zeal-Zeal/A.F.291-15-1 dated 2nd April 1917 and 1176-13/599-15-1 dated 30th September 1915.

2. Separate grants from general revenues for (1) Raj, Kumaran, and Deeparadhane expenses and (11) Archaka service in the temple have been confirmed at the Inam Settlement under Title-deed Nos.Zeal-Zeal of dated 26th March 1920 and such amounts withheld for Fasli 1302 having been ordered to be utilised otherwise, and in view of the objects for which the General Mudral Fund should be used have been exhaustively enumerated in the Government Order quoted above, I am doubtful whether the fund can be utilised for meeting these charges.

A sum of Rs.12,695-0-0 has already been spent from the income of the General Muzrai Fund during the current official year mostly in respect of institutions situated outside the State and a portion of the balance of interest earnings still remaining will be required to meet the cost on account of the Agama classes and the Engineering establishment. Moreover, the Director of Archaeological Researches has been making repeated enquiries as to whether the sum of Rs.10,000/- set apart for special improvements to Muzrai Institutions is available for expenditure and I think that in fairness, a portion of the interest-earnings has to be made available during the year for this object.

3. In view of the above and also for reasons explained in para 2 of my predecessor's letter dated 7th December 1922, I beg to submit that the amount under objection does not seem to be a legitimate - charge on the General Muzrai Fund. But if funds from other sources cannot possibly be found, the amount may, as a special case, be met as proposed; it may, it is also submitted, be ordered to be refunded to the corpus of the Muzrai Fund when finances improve.

With reference to your letter No.2771/M.F.262-22-4 dated 5th May 1923, requesting me to point out any other source from which the charges on account of the arrears of pay and paditara due to Sri Subramanyaswami at Subramanya may be met, I have the honor to state that the charges may be met from the "Lapses and surrenders" of departmental grants provided for in the current year's budget.

2. Lapses to the extent of Rs.10,000/- may be anticipated under 13 Muzrai Institutions 1 Superintendence on account of the abolition of the Muzrai Superintendent and Ex-officio Secretary to Government (vide Government Order No.517-50/M.F.63-22-1 dated 31st July 1922), and also on account of minimised expenditure under Travelling allowance and contingencies and the charges in question may therefore be conveniently met from these savings.

As already submitted in para 2 of this office letter C.No.259/22-23 dated 7th December 1922, I am not in a position to suggest any other source but the one specified above to which the charges could be debited.
